

Twitter Privacy & Safety Settings

TWEETS

- Select "Protect My Tweets" so that only approved followers can see your tweets
- Turn off Photo tagging if you want no one to tag you or you can chose to only allow people you follow to tag you

DIRECT MESSAGES

- Turn OFF Receive messages from anyone
- Turn ON Quality Filter
- Turn OFF Show Read Receipts

LIVE VIDEO

- Turn OFF Connect to Periscope

DISCOVERABILITY and CONTACTS

- Turn OFF Let others find you by your email
- Turn OFF Let others find you by your phone
- Turn OFF Sync address book contacts

SAFETY

- MUTE word/phrase/@username/hashtag one at a time by selecting ADD. You can MUTE from timeline, notifications, and people you don't follow. You can MUTE for 24 hours, 7 days, 30 days or forever.
- Notifications-Advanced Filters allows for further muting
- Notifications-Preferences allows you to manage all your notifications; turn them to the strictest possible.

LOCATION

- Turn OFF Precise Location

PERSONALIZATION AND DATA

- Turn to the strictest level possible
